

City of Greensboro Inspections Division

Nuisance Process

Complaint Received

A complaint is called into our office and is forwarded to the proper inspector; each area of the city has been assigned to an inspector.

Complaints can come from other government agencies.

Or in some cases the inspector observes the violation(s) while in the field.

Inspector investigates Complaint

Inspector handles the complaints in the order in which they are received.

Conditions that constitute a nuisance under Section 17-1 of the City of Greensboro Municipal Code

Dense growth of weeds or vegetation over twelve (12) inches in height.

Breeding ground for rats, mosquitoes or other harmful pest.

Collection of combustible items such as trash, garbage, auto parts, building materials etc.

Standing water

Owner(s) notified by certified mail and posting of the property

Description of violations

Date the violations must be corrected, within ten (10) days of notice, in order to avoid abatement by the City.

Inspector Re-Inspects

After ten (10) days has expired and the owner has not corrected the violations the City shall proceed with abatement.
